

Little ship

Little ship keep sailin', sailing cross the sea
Bring my lovin' baby, safely home to me
Oh the nights are lonely, my heart feels such pain
Little ship please hurry, bring her home again
She may be in trouble, as I say this prayer
See her through the trouble, keep her safe out there

Little ship keep sailin', till you reach the shore
Then I'll hold my loved one, in my arms once more
She may be in trouble, as I say this prayer
See her through the trouble,
Keep her safe out there
Keep her safe out there
Keep her safe out there
